Sharla Mercado President 2012-2013

Sharla Mercado has begun her 4th term as President of the Volusia County Alumnae Chapter. The executive board met on Saturday, June 22 with Sharla at the helm. She is ever mindful of our chapter fulfilling the objectives of Sigma Alpha Iota; in addition—she is enthusiastic about developing more interesting programs, increasing attendance, and a bit more social time. Our executive board meeting reflected the emphasis on having fun, while we worked together on planning the coming year of service, we took the time to get to know each other better. Our Vice Pres. Of Membership, Jennie Lee has leads on members to affiliate from our community. Sandra Perry, Vice Pres. of Programs, hit the ground running, planning the upcoming service project on Saturday, July 22, setting up the dates for the October "King of Instruments" Musicale and the Instrument Petting Zoo in September. Kristin Woolard, our Recording Secretary, went over the minutes from our June meeting and volunteered to be the Social Chair. Our Vice President of Ritual, Amy Crane, is more than qualified to work with our ritual and songs and you will just have to wait and see what she has planned, and she has generously offered her home for our January meeting.

In August, Sharla heads to Atlanta as our delegate to the Sigma Alpha Iota National Convention. Mary Young and Barb Larson have been very busy and have almost finished all their projects for Phlea Phlam in plenty of time for the convention. While at the convention, our president will be the delegate, in charge of Phlea Phlam, presenting a workshop on the Instrument Petting Zoo, performing on the piano and she has been nominated for two offices. We are very fortunate to have a sister with so many strengths and talents.

Amy Crane, Adjunct Professor of Music at Stetson University

Amy Crane was awarded in the spring: The 2012 First-Year Advocate Awards – The Office of First Year and Transition Programs announced this year's Outstanding First-Year Advocate Awards. This award recognizes faculty, staff and administrators who have gone above and beyond to ensure student success for first-year students. Congratulations Amy!
